Just call your practice number as usual and your
call will go straight through to GP Care Wakefield.

Scan the QR code to learn
more and view locations.

*Available to patients registered with Wakefield
District GP practices only. Subject to availability

GP Care Wakefield

Evening & Weekend Clinics

We are the evening and weekend NHS service for the Wakefield District. We offer GP appointments in six locations across Wakefield & district*.

We cover all conditions that you would usually see your GP for. We work closely with GP practices and can arrange investigations, referrals and follow-up appointments when needed.

We help patients avoid the queue in A&E by offering them GP appointments close to where they live.
